

## SHERWOOD PARK RAMS FOOTBALL CLUB

### Sponsorship Opportunities

---

Thanks for taking the time to consider donating towards the Sherwood Park Rams Football Club. We want to share a brief history of what we have done and what we are doing in the community so you can see what your donations will be going towards and how it will help our kids.

---

#### **Over 50 Years History In Sherwood Park**

The Rams Football Organization has been around for over 50 years in Sherwood Park, during that time we have coached and helped develop more than 2000 players. With our Head Coach, Jim Skitsko being around for the last 24 years, we have a tradition of consistency within our club.

#### **Football Is Fun, Education Is Forever.**

This is not just a feelgood statement, the Sherwood Park Rams back this up with their actions. We were the first Bantam Football program in Western Canada to have a Post Secondary Bursary Program for all our graduating players. Any player that is part of our Bantam team is eligible for a \$1,000.00 grant towards any Post Secondary Education that they choose.

#### **Giving Back To The Community.**

Many of our players year to year are subsidized in one way or another so that they can play football in their community. This included covering registration fees, team fees, providing cleats and even picking up players and driving them to practice and games.

#### **How Can You Help?**

The Sherwood Park Rams Program is looking for Corporate Sponsorship and Donations in order to support and expand our program and allow more children the ability to play this great team sport.

#### **How Can We Give Back To You For Donating?**

We want to help give back to all of the companies that are willing to donate to the kids and the community.

The simplest thing is for us to promote your business and services to our 150 parents that we see each and every season. This includes adding your company info to our website, promotional materials and news articles about our field development and thanking all of our sponsors.

All field development donors will be given an advertiser spot on our fence and clubhouse to promote your business for years to come.

We are also able to provide a Tax Deductible Receipt for the amount of the Product or Service that was donated. This is done by working with and through the Sports Ministry Program at Bethel Luthern Church. In that case, the church would require an invoice for the amount of the donation which they would pay and you would donate back to the church to get your receipt.

#### **Please Contact Us And Let Us Know How You Are Willing To Help.**

We all know that many hands make light work. With all of the many volunteers that we have we still need corporate sponsorship and donations so that we can keep the cost of our sport down and allow more kids to play.
